Description

After several attempts we have perfectly balanced the ingredients to create an absolutely delicious, different and unique Christmas panettone that you have never tasted, soft as a cloud, releasing a delicate alcoholic scent.

For lovers of our Piperna amaro, I assure you that you will be impressed by our artisanal "Panettone A'Piperna". Made with natural ingredients, without preservatives and with 36 hours of leavening, it is then washed down with the A'Piperna dello Scapriccio amaro.

All that remains is to celebrate your Christmas holidays with the products of the Island of Ischia
